Distributors of **TURNSTAR** RELIABLE • DURABLE • GUARANTEED   **AUTOGATE**   **ZKTeco**®

VEHICLE BARRIERS

- Boom Gates
- Bollards
- Spikes
- Gate Motors
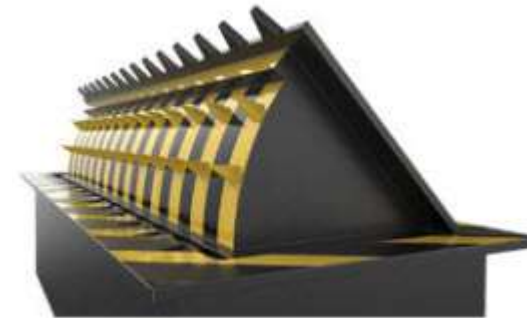

Under-Vehicle Inspections

- Manual
- Portable
- Fixed

Under-vehicle inspection system is used to detect the vehicle undercarriage. When the vehicle passes over the system, it can quickly recognize the vehicle license plate and generate a high definition image of the vehicle undercarriage, which will be recorded in the computer. With a foreign object detection function the system can quickly and accurately identify suspicious objects attached to the underside of the vehicle.

Metal Detection

- Hand Held
- Walk Through
- Varied options

6 Zone   **18 Zone**   **33 Zone**

High performance metal detectors designed to meet the requirements of the security industry.

X-Ray Equipment

- Horizontal and
- Vertical scanning
- Identifies all overlapped items

64 mm

On CellPhone, On OBD for Car, Bike Car, Dog Collar, On Person – a solution for every need

Satellite & Cell Tracking software

- DIY Full tracking services
- Ignition ON/OFF
- Motion
- Overspeed
- Geo Fencing

See distance travelled for trip, total distance travel, online pre-set notifications on phone and desktop application.

Long Range Tags

- 6M

- 12M

Automated signals to manage vehicle access control

VISITOR SOLUTIONS

The Hand Held scanner is used for Visitor Management and reads both the South African Drivers License and Vehicle License. When scanning a driver's license the scanner will capture the card, the photo, full name, and ID number. When a vehicle license is captured it will record the make, model and colour of the vehicle as well as the license number and the expiry date.

Guarding

- **Handheld Devices**
- **RF~Tags**
- **RF~Cards**
- **Baton Tags**

Complete solution for monitoring security guards

Breathalyzers

- Fixed onto turnstiles
- Hand Held

Includes certification on pre-set calibrations for SA Market

Security Gates and Fencing

- Electric
- Clear-View
- Palisade
- Razor Wire
- Spikes
- Gates

All perimeter fencing needs

Networking Products

- Switches POE and Hubs
- Wi~Fi products
- Routers
- Cabling

Network Cabling, trunking, Cable Ties, termination boxes

Servers and Computers

- Servers
- Desktops
- Laptops
- Printers
- UPS's
- Software
- Speakers
- Extras

All computer needs

POS Terminals

- Terminals
- Software
- Peripherals
- Consumables

Everything required for Point Of Sale options

BUSINESS ADMINISTRATION

Partners with 14 payroll companies with Sabre Time and Attendance Software integration
